This publication is a DVD version of a video recording entitled *Grannies Slumber Party* classified by the Office of Film and Literature Classification (Classification Office) and registered on 22 March 2001. The decision classified the video recording as "objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with a descriptive note "contains explicit sex scenes".

The DVD *Grannies Slumber Party* contains a number of components such as trailers and notices which are additional to the original video recording version. These additional components contain explicit sexual activity. While these components are additional to the feature they do not change the overall tone of the publication. Therefore they do not alter the classification given to the original video version of *Grannies Slumber Party*.
